Creekside Hurricane Contact Role: to provide HOA Board President with a count of those members who decide to stay and those who decide to leave during a hurricane event. To become a source of information for those members who have decided to leave their homes during a hurricane event.

Responsibilities:

1. As soon as possible, update a contact list on your designated street with current cell phone numbers and emails.
2. In the event of an imminent hurricane event, contact each of the members on your designated street to ask who is planning on staying and who is leaving. Keeping this list updated as the information can change quickly.
3. After the event, and only if prudent to do so, obtain a visual idea of the condition of the street and driveways in your area and the damage to houses, if any.
4. Be available to speak with members when contacted for information on property/conditions.
5. Also, if dwellings are evacuated & we have knowledge of that, we can keep an eye out for any looters of house or personal property.
